## I. Jesus' Strategy: Make Disciples

### A. Disciple Individuals

Strong Disagreement: not about purpose, but about personnel

Deep Commitment to Disciple Others

Barnabas

- Loyal to Paul when John Mark left the first time.
- Compassion for those who others discard: Saul, John Mark

Paul

- Sought out those who would sincerely count the cost w/o looking back.
  1. Silas
  2. Timothy
  3. Luke

### B. Disciple the Church

1. Retracing their 1st Missionary Journey.

2. Church Growth (16:5)

### C. Move – GO into all the world

**Make disciples and the Spirit will open doors.**

## II. Spirit's Direction (16:6-10)

A. Forbidden: closed doors

B. Come help: open doors (16:9-10)

**How does this apply to me?**
