## Secret Church Simulcast

Friday, April 29, 2016  
6:30pm – HPBC Chapel  
Cost: \$10

### A Global Gospel in a World of Religions

A multiplicity of religions exists in the world, all claiming to hold truth about who we are, how we got here, what we're doing, and where we're going. Billions of people believe in Christianity, while others embrace Islam. Some are Hindu and others are Buddhist. Amidst it all, many are atheist, or at the very least agnostic.

So how are we to think and what are we to do in this massive marketplace of religious ideas? Is there one right way to believe or are there many right ways to believe? Is there one right way to live or are there many right ways to live? Specifically, how does the gospel of Christ compare and contrast with other world religions? And if we believe this gospel, then how should we share it specifically with people of other faiths?

During this year's Secret Church, Dr. David Platt will explore the claims of Christ in the gospel and consider how these claims inform the way we understand religions in the world and impact the way we live when surrounded by people with such diverse belief systems.

Further information is available at the table in the Atrium Foyer or on the church website.

# Welcome

What an exciting time this is! Today we begin meeting in the gym as our worship center is renovated.

Please take a few moments to get to know the people around you. Chances are some of them will be new to you. Meet someone new. Then find a way you can serve someone for Jesus' sake this morning.

Let's take this unique opportunity to grow and rejoice together.
