## Secret Church Simulcast

Friday, April 29 6:30pm: HPBC Chapel Cost: \$10

### A Global Gospel in a World of Religions

A multiplicity of religions exists in the world, all claiming to hold truth about who we are, how we got here, what we're doing, and where we're going.

How does the Gospel of Christ compare and contrast with other world religions? How can we share the Gospel specifically with people of other faiths?

Come to Secret Church, and explore the claims of Christ in the Gospel and consider how these claims inform the way we understand religions in the world.

Registration and further information is available at the table in the foyer or on our church website.

Welcome

As believers, we are part of Jesus' kingdom which is on the move. The kingdom of God is assailing the very gates of hell and those gates are giving way.

Jesus' reign is spreading quietly and powerfully across the globe. Jesus has already won the victory over the enemy.

So be encouraged. Stand with Jesus. And give Him glory.
