A Global Gospel in a World of Religions

A multiplicity of religions exists in the world, all claiming truth about who we are, how we got here, and where we're going. How does the Gospel of Christ contrast with other world religions?

Come to Secret Church, and explore the claims of Christ in the Gospel and consider how these claims inform the way we understand religions in the world, and learn how we can share the Gospel with people of other faiths.

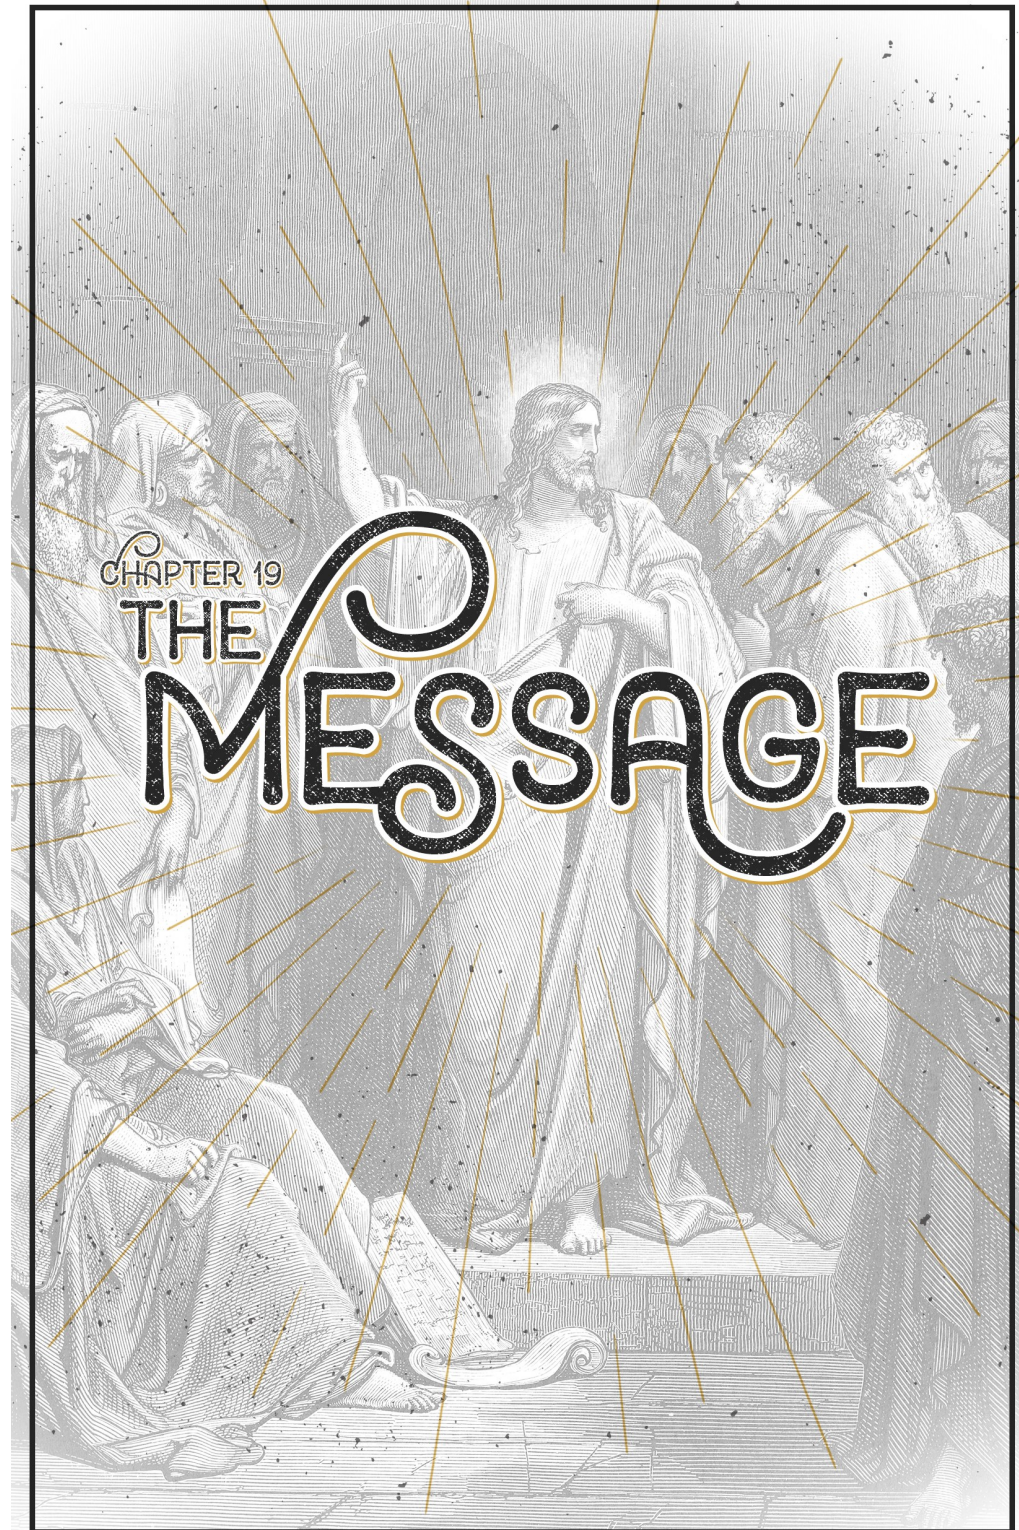

Registration and further information is available at the table in the foyer or on the church website.

Ministry Highlights

Welcome

Consider Jesus' glory. He is the radiance of the glory of God and the exact imprint of His nature!
Before His glory, John fell as if dead. It is before Him that we offer our lives.
Let us worship Jesus.
