GO: DETROIT Update

Thanks to all our volunteer teams who worked hard to get the Tried Stone site cleaned up and prepared for the next phase of re-construction. At least four full sized commercial dumpsters were filled with debris from both outside and inside of the building.

Our outside work is done for now. The abatement contractor is starting work inside the building so we do not have inside access until that work is completed. There will be no additional work days planned for HPBC teams until sometime in June.

Once we reassess what needs to be done next in order to get the building operational, we will move forward by announcing additional orientation sessions, general work days, and some specific projects. Stay tuned!

Donations are appreciated to help defer costs of supplies. Make checks payable to HPBC with GO: Detroit on the memo line.

Missions Giving

During May, we are collecting for the Missionary Assistance Fund (MAF). This is an opportunity over and above our budgeted giving to help our missionary family with unexpected or emergency needs.

MAF is being expanded to also provide the special gift for our missionaries at Christmas. Our May giving to date is \$24,481

Welcome

We all want someone who really hears and understands us. It is deeply painful to be unheard. There is hope!

The Creator and King of the universe has invited us into His presence. He wants to listen. He is never distracted. He completely understands.

So let's be a people of prayer.

Will you help the children at Kid City this summer enjoy a fun, exciting morning at church? Team sign ups begin TODAY in the Foyer. A training meeting will be held for all volunteers on Wednesday evening June 8, 7:00 –8:30pm.
