MISSIONS

PRAY FOR KEVIN COCHRANE, serving in Japan with SEND Int'l. Kevin did a great job at 'hosting' the HPBC Japan team earlier this month for their SEND family conference. Pray for Kevin as he prepares for 3 more Japanese camps happening in August—for protection, strength and focus. Pray that he would walk in an abiding relationship with Christ. Encourage him at kcochrane@send.jp.

PRAY FOR MARK & MARIE TABAR, home from Thailand following a difficult term. Pray for this family of 9 as they transition out of full-time ministry the end of August and settle back in MI, currently in Waterford. Pray for Marie's continued improvement in her health and energy level as she gradually increases activities. Pray for Mark as he pursues a teaching job, hoping that the flexibility will allow involvement in ministry at some capacity. Pray for their kids as they work this summer and pursue college and the younger ones a new hybrid of homeschool studies. Encourage them at onegrainofrice9@gmail.com.

KIDS' SUMMER SUNDAYS

GALACTIC STARVEYORS

Just for Elementary-age children

July 9 - August 27, 2017

10:am - 12:35pm

Kid City - the EI (entering grades 1-5)

Just for elementary-age kids, this VBS-style program is meeting on Sunday mornings this summer from 10:10am – 12:35pm. Each Sunday – challenging kids to search the skies and God's Word to uncover God's truth etched in His handiwork.

Music, Skits, Games, Bible Stories, Crafts, Activities, Snacks, Fun!

Our kids will discover the God who created everything there is – the knowable and the unknowable, the visible and the invisible, and that He wants a relationship with them. Our desire is that each Starveyors morning will touch lives, change hearts and draw kid's closer to Jesus.

PARDON OUR DUST

WE GIVE THANKS for the number of facility enhancements and maintenance projects taking place throughout the coming summer months. Work has begun on Fellowship Hall with all new lighting, AV system, carpet and wall treatments. Necessary asphalt patching will start soon on the north parking lot. SCS is funding a new gym floor, currently under construction, and the high school locker rooms and restrooms will receive a much needed renovation. A new cooling tower in the Early Childhood wing and a boiler replacement in the High School building are scheduled for this coming season as well.

Welcome!
