If you are looking for a wonderful class for women only, this is it! The class involves women of all walks of life who share a desire to develop sincere and warm relationships, to grow in their love for God, and to encourage one another to be doers of the Word and not hearers only.

Living Hope ministry has a strong desire to provide a loving, supportive and instructional environment for mom's who are divorced, never married, widowed, or married but attend church alone.

The Care Group format is designed to instill Bible-based principles that encourage moms to flourish in the midst of overwhelming circumstances; leading them to a life of purpose and meaning, focus and balance.

The study makes use of the excellent resource, ***A Woman after God's Own Heart*** by Elizabeth George.

Nursery, kids clubs and youth groups available.

We are excited to continue our church-wide Women's Bible Study for the coming year, offering the same study with two time options.

Our Bible study will feature the books of Philippians and Colossians. Using a study guide written by the women's ministry team of Good Shepherd Community Church (Oregon), the format includes at home study, table group discussion, prayer and a weekly lecture with a particular focus on application.

You're invited to join with other women in studying the Scriptures, and at the same time, connecting and growing together. Let the Word of God challenge and transform you as you fellowship with women of all ages for this exciting new study.
