The Care Group format is designed to instill Bible-based principles that encourage moms to flourish in the midst of overwhelming circumstances; leading them to a life of purpose and meaning, focus and balance.

This year features a format that includes video and discussion designed to help moms who parent alone find practical strategies and develop hope for the future.

Our Bible study features the *Life of Jesus*. Using a study guide written by the women's ministry team of Good Shepherd Community Church (Oregon), the format includes at home study, table group discussion, prayer and a weekly lecture with a particular focus on application.

You're invited to join with other women in studying the Scriptures, and at the same time, connecting and growing together. Let the Word of God challenge and transform you as you fellowship with women of all ages for this exciting study.

Please register at either of the Bible Study meetings on Tuesday morning or Wednesday evening, or email Lisa at lfair@hpbc.cc.
